Villa Fresco

Villa Fresco Bianco 2019

Technical information

Varietal percentage: Pinot Grigio, Riesling, Arneis, Verduzzo, Moscato

Yield: 68hl/Ha
Picked: February-March
Average brix: 22
Area harvested: 3ha

Vintage 2019

Winter was relatively dry, but lots of snow on the Alps helped to fill dams and rivers in preparation for the growing season, which was even with near perfect conditions. With the prediction of a dry summer we chose to irrigate the vineyards during October to assist and maintain vine health. We also had a storm in December which produced 100mm of rain, which was very timely and helped to keep the vineyards in good condition for the summer temperatures experience in late January.
Harvest ran smoothly helped by great weather. Grapes were in perfect condition and we are really pleased with the quality of all the exciting wines produced from vintage 2019.

Maturation

Type of oak: nil
Oak age: stainless steel
Fining agent: milk
Oak toasting: nil
Filtration: sterile

Vinification

This classic wine is produced using a selection of fruit of our young hillside vineyard blocks. The grapes were machine harvested at night, then crushed, de-stemmed and pressed lightly providing delicacy and elegance. The juice was fermented using selected yeast to enhance citrus notes and palate structure. It was then cool fermented to retain freshness and varietal character.

The Wine

Straw in colour with a green olive hue. Apple blossom and sweet spices bound from the glass, with hints of fresh pineapple. The palate is textual and full with apple, pear and fresh lychee flavours. As the wine opens up in the glass honey and vanilla notes emerge. The wine has good length and delicious citrus characters on the finish.

Final analysis

Final alcohol: 12% Alc/Vol Final acid: 5.8 g/L Final PH: 3.34
